Features

Compact and lightweight

Allows the scanner to easily fit into even the smaller spaces and shelves in a home.

4 EZ buttons

EZ buttons enable one-touch scanning of document (PDF) or photo originals.

Advanced Z-lid

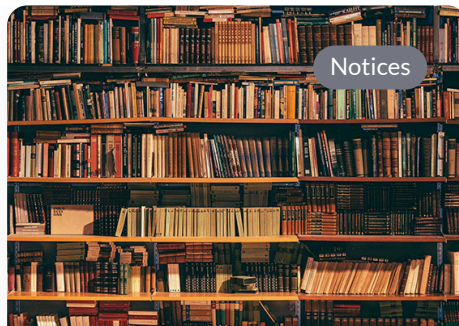

The Advanced Z-lid lid can be elevated parallel up to 21mm from the platen surface, making quality scans possible for scanning of bulky books, magazines, or document stacks.

Powered via USB connection

Supports power and data transfer directly from a single USB connection, eliminating the need to use a separate AC power adaptor.
